Costs

We welcome any interested youth to come visit and try out our troop by attending our meetings or local activities. For insurance reasons, certain council activities and overnight stays are only available to registered Scouts.

We support our families with a few fundraisers in the year where Scouts can earn funds towards their individual costs.

Scouting America registration - \$142 annually (\$85 national, \$57 council)

Troop 4030 dues - \$60 to \$120 annually (variable dependent on troop fundraising)

Uniform - Class A - \$120 full uniform, from the ScoutShop (approx. every 2-3 yrs, depending on growth spurts - smaller used sizes may be available in troop supplies)

Uniform - Class B - \$10 t-shirts, typically 1-2 a year (new scouts are gifted a shirt from the troop)

Troop Campouts, Council Camporees - typically \$15-\$30 per event, splitting food and reservation costs among attendees. Anticipate 4-8 per year, though scouts often do not attend all due to scheduling.

Equipment - The troop maintains a trailer with much needed equipment and supplies. Useful personal items include sturdy sneakers/boots, camp chair, day backpack, mess kit, reusable water bottle, sleeping bag, sleeping mat, rain gear, headlamp.

Summer Camp - Optional participation in 7 day/6 night overnight camp. Troop usually sends a group to a nearby Twin Rivers council camp at Rotary or Wakpominee for \$600 weekly cost. Other camps in the region may also be considered.

High Adventure activities - older scouts (13+) may pursue optional opportunities for high adventure activities that have additional cost and may fundraise specifically to support those endeavors. These could include attending a [Scouting America high adventure base](#) or participating in a local/regional high adventure activity such as a canoe trek.
